Subject: FW: Removal of Yammer Post

Hi all

Sharing for awareness in case of escalation- difficult decision made this afternoon to moderate a post made by [REDACTED] earlier today on the [REDACTED] Yammer [REDACTED]. A number of other posts were also removed today. We also took the decision to close the thread to further comments, with this final note:

We are disabling comments on this thread due to the escalating nature of discussion. Please can we remind staff of our expectation on how we use workplace platforms to communicate, as set out in this post: <https://web.yammer.com/main/org/defra.onmicrosoft.com/thread...> Please can we also remind staff of the updated communication principles published to all Defra staff today, with an EA version being made available shortly: <https://intranet.defra.gov.uk/wp-content/uploads/2022/11/Pri...>

Thanks

Subject: RE: Removal of Yammer Post

Good afternoon, [REDACTED]

I am following up on [REDACTED] email below.

The reason the post has been removed is that:

- it is disrespectful in tone [REDACTED]
[REDACTED])
- it is threatening in tone [REDACTED]
[REDACTED]
[REDACTED]
[REDACTED]

We appreciate that the subject matter of this Yammer conversation can be emotive, but the Environment Agency Respect at Work policy requires all employees to demonstrate behaviour which is professional and respectful (whatever the perceived provocation).

[REDACTED]
[REDACTED] to reflect on the appropriateness of responding in this way on Yammer, and perhaps consider how he might make his point in a different way.

I hope this is helpful. Happy to discuss if you have any further queries.

Thanks
