Hi [REDACTED]

Yes [REDACTED] are aware and we have received 3 complaints so far.

I think that [REDACTED] and the team have access to close down conversations if we need to. The original poster closed comments just after posting the thread. [REDACTED] is currently in discussions with EDI and HR and will keep me posted with regards to outcomes from that call.

Happy to catch up later if you would like?

Thanks

Hi Both,

I was informed this morning that the new Sex Equality and Equity Network (SEEN), in [REDACTED] absence, may I please confirm that you are aware and on hand to support should any posts require moderation? There has been some activity already since the launch of the network.

[REDACTED] I understand that [REDACTED] was looking to provide yourself and [REDACTED] full admin access to Yammer where closing down of conversation may be required, has access been granted by any chance?

Kind regards,
