Thanks Caroline. I have the same concerns (and [REDACTED] have been working through removal of some new posts yesterday and today) -- there's a further moderation panel meeting at 1.30 today, we will take advice then but I certainly agree it feels best to close the post to further comments. Will let you know the outcome

[REDACTED]

I have been alerted to the previous Yammer post by [REDACTED] kicking off again. I have read it and think there is threatening an intimidatory language from a few, including [REDACTED] I think it may be best to quickly close the post and leave it that way as it is not calming the situation in the current climate.

Regards
Caroline
