My understanding is that a meeting will be convened for 3.30 and that we will need to action a decision on the Yammer threads after that. [REDACTED] – I am hoping the invite comes out shortly to that meeting

I am not surprised by the complaints. [REDACTED] and I have both just been in the same meeting with EDI team and legal. It is likely that we will be instructed to take down/close posts but not quite yet. We just need to hold fire for now. I can update you verbally at 12 if it would help at all, just going into a call.

Hi [REDACTED]

[REDACTED] has just messaged me on MS Teams regarding this thread and that we have had 2 complaints. Do you need any input from myself?
