Hi all

We are aware that the formation of the SEEN network has been shared on Yammer All Company and with anticipation of potential escalations or concerns raised across the group we are setting in some placeholders in the diaries in case there are any concerns raised where additional support is needed to inform the decision of the moderators. This is to ensure that all relevant business areas are represented should they be needed.

I have hopefully included HRBP reps from our Defra Group alongside EDI leads and Comms / Casework – if you are not able or can defer to a colleague in your stead please do so.

If there are no escalations to discuss, we will cancel the meetings.

Thank you
