No I don't, not sure we can do it or if it needs to be the tech team?

Best wishes,

All, a quick further question following our call yesterday – do any of you know how to turn off comments on Yammer?

Thanks very much [REDACTED] and thank you also [REDACTED] and [REDACTED], for a really productive and thought provoking meeting today. I am extremely grateful, not only for your engaging with us as a network, but also for the work you have been doing to help ensure that we can find our place within the Defra group.

As I said on the call, I am keen that as a networks SEEN works as closely as possible with the EDI professionals to ensure that our network makes a positive contribution to both diversity and inclusion in the Civil Service, that we avoid unnecessary conflict, and that wherever possible we engage with and work alongside existing networks.

I hope to follow with our Constitution and Objectives and names of the two other Chairs shortly, I just need confirmation from our Steering Group that they are happy for me to share. I also hope next week we will also be able to give some more details about other roles, which we are in the process of formulating.

Finally I also forgot to mention on the call that I have also spoken separately with [REDACTED] and [REDACTED] from the NE Gender Network, and we have agreed to keep a dialogue open with a view to finding common ground and potentially looking for events where we can overlap in the future. That discussion is ongoing.

With many thanks,

[REDACTED]

**Subject:** Faith & belief sponsorship - new network exploration

Hi [REDACTED]

We've been in touch about the new cross-government Sex Equality and Equity Network (SEEN - [About Us](#))

Following a meeting today with [REDACTED] (one of three co-chairs for SEEN, from [REDACTED] and [REDACTED]) I wanted to update you that both [REDACTED] and [REDACTED] were really grateful to learn of your offer to explore how your role as Faith and Belief Exec Sponsor within the EA (and involvement in the cross-Defra Faith and Belief board) could align with supporting SEEN. They'd be keen to meet with you soon for an initial chat.

If there's anything I can do to help facilitate, or if you'd like me to join the discussion, please let me know

All the best
